Staff Senate

## First Aid and CPR Certification

Have you ever wanted to save a life but did not have the proper certifications? **Adult and Pediatric CPR/First Aid/AED** (Lay Responder) is the basic level course incorporating the latest science and teaches to recognize and care for a variety of first aid emergencies, as well as how to respond to breathing and cardiac emergencies to help victims of any age.

Staff Senate in conjunction with Rec Well will offer American Red Cross CPR courses taught by experienced instructors, which include online learning, in-person lectures, videos, demonstrations, practice and testing skill scenarios. Upon successful completion of the course, participants will receive a certification that is valid for two years.

**Cost is \$27.00 per participant.** Open to all staff and faculty.

Space is limited. Snacks are provided. Registration Required. **Please register at the UNCG Workshops & Events website:** <http://workshops.uncg.edu>

Friday, December 14, 2018

9:00AM to 12:00PM

Kaplan Center
