

The University of North Carolina at Greensboro Staff Senate Resolution 001

Approved by the Staff Senate: May 13, 2010

Approved by the Chancellor: May 13, 2010

RESOLUTION: ACCESS TO COMPUTERS FOR UNCG STAFF MEMBERS

Whereas, all UNCG staff do not currently have access to computers on campus; and

Whereas, UNCG strives to be a community that reflects an inclusive environment by demonstrating inclusiveness, collaboration, and transparency;

Therefore be It resolved that the Staff Senate of The University of North Carolina at Greensboro urges Department and unit heads to develop and share your plans with a Chancellor office designee/ HR designee concerning staff access to and usage of computers in neutral areas during the workday; and,

Be it further resolved that Department and unit heads collaborate with the staff in their area(s) to develop a daily or weekly staff rotation that will enable their area to (1) fulfill departmental work obligations, and (2) ensure that all staff are allocated a minimum of one (1) hour per week to access computers in a neutral area not located in an individual's office; and,

Be it further resolved that Department and unit heads involve their Division head in this collaborative effort so that their department's plan is inclusive of the concerns of all groups that this plan will affect; and,

Be it further resolved that Department and unit heads allot provisions for staff to attend computer training during the workday (outside of an employee's lunch or break time) that includes Novell/Active Directory, Lotus Notes/ispertan (email), UNCGenie, and Blackboard.
